RE: ARGENTINE APPLICATION 276.784
Helf. 582-847 PM 697

Dear Terri:

It is a shame that the claim must be rewritten as proposed in your 7 January letter. I think it sounds a little confusing, although I understand the steps being claimed.

I don't know whether it would be clearer to state "...with the ammonium hydroxide treated tobacco being there-after placed..."

At any rate, please respond with your proposed claim or my suggested wording if you like it better.

Sincerely,

Susan A. Hutcheson
